

## Like Ice Cream? Need More Money? Read:

Financial success as a business owner enabled me to **retire a millionaire** at **39**. I then focused on my new reality: **Personal Finance**. It's challenging for me but almost impossible for those with less experience. Here, I **share** my knowledge with **you**.

This book guides you, step-by-step, towards **financial success** with classic, proven, real-world strategies divided into banana split ingredients: banana, ice cream, cherry-on-top, etc. Result? An easy path to follow towards your very own **American Dream!**

### Targets you'll be able to reach can include:

- Turn \$3.34 a-day into \$637,778.
- Open your own pension and brokerage accounts.
- Pay off your student loans sooner and cheaper.
- Fast track home ownership – for only \$8 a-day.
- Retire early with an additional income flow.
- Learn to avoid potential financial land mines.

**GOAL:** Rewrite **your STORY** ... and unlock **your DESTINY!**
