

ICE CREAM AND MONEY ... FOR EVERYBODY!!

BOARD GAME INSTRUCTIONS

PURPOSE

To reinforce knowledge learned from The Financial Banana Split book & Website

OBJECTIVE

Be the first player to complete all steps and land on or pass FINISH.

CONTENTS

- * 1 Gameboard
- * 4 Ice cream cone game pieces
- * 1 pair of dice
- * One set of double-sided game cards
- * One 2-page Board Game Instructions document

CAUTION

This game contains small parts which could be a choking hazard to young children and infants. Some game parts have sharp edges.

SET - UP

- * Unfold the game board and place it on a level playing surface.
- * Shuffle the game cards and divide them among the players. Each individual Question has a number or web # in its lower-left corner. This corresponds to a Chapter/Ingredient in the book or on the website. They are listed at the end of these instructions. Purpose: to refresh your memory.
- * Place the dice near the gameboard.
- * Each player chooses a game piece and places it on START.

GAME PLAY

- * Each player tosses both dice once.
- * The player with the highest number starts the game.

- * A player, other than the starting player, takes the top card from their own card deck and, out of view from others, reads the first question to the starting player. The starting player attempts to answer the question:
 - **Correct Answer:** Starting player rolls both dice once and moves their game piece forward the number of spaces showing on the dice.
 - **Incorrect Answer:** Starting player moves their game piece one step forward.
- * **Answer Option:** The answers don't have to be the exact, correct words if they have the same meaning as the exact, printed words.
- * This sequence is repeated as all players take turns until a player wins.
- * The first player to land on or cross FINISH wins the game!

ADDITIONAL RULES

Numbered Red Square: If your game piece lands on a numbered red square, roll the dice and:

- **Even number:** Move your game piece *forward* the number of steps showing on the dice.
- **Odd number:** Move your game piece *backwards* the number of steps showing on the dice.

Junk Bond Junction: When you roll the dice and your piece will move into Junk Bond Junction:

- **Even number,** follow the path towards **red square 8**.
- **Odd number,** follow the path towards **red square 7**.

- **Variations to extend game time:**

- #1) If a player doesn't answer a question correctly piece doesn't advance.
- #2) Use only one of the dice instead of both for all game play.
